THE PARKS OF WEST BEDFORD

EMBRACING NATURE... ENJOYING LIFE.

Choosing which community you live in is an important decision - it plays a big role in how you spend your time. Choose wisely with **The Parks of West Bedford!**

902.832.1000

www.theparksofwestbedford.ca

Meet the Neighbours!

"When we moved to The Parks, there was only one street with a few dozen houses being built, but now it is home to many families. This home has meant a lot to us, not only because we enjoy our life here, but because it has accompanied us through a few important stages of our lives. It is our very first property. We had our first marriage here, and it will be our last one I am sure - fingers crossed! Thereafter, our first child came into our life, then the second one. One day maybe my first business will start here too. We enjoy sitting in the sunshine watching our kids playing in the backyard, and we love to watch them grow bigger and stronger day by day. Living in The Parks of West Bedford as a family, we feel very lucky and happy. It will be the best time of our life."

— Helen Zhao

Meet Helen Zhao, Chris Jiang and their two sweet children Avery and Raymond. They live happily in The Parks of West Bedford. Their family enjoys socializing with the neighbours and taking advantage of the amenities in and around their community. They love to have their extended family visit and stay with them, which is great, because their beautiful new home was designed for entertaining!
